Sample Backing Press

For professionally finished samples

The Modra Sample Backing Press is used to apply a hotmelt backing to carpet samples made on the Kibby and Mtuft machines. The Sample Backing Press is a fast, simple and clean way to professionally finish samples for presentation to your clients.

Samples backed in minutes.

Suitable for both tufted and Axminster samples.

For samples up to 500mm x 500mm.

Suitable for a range of backing materials.

Carpet sampling made simple...

Apply hotmelt to the sample

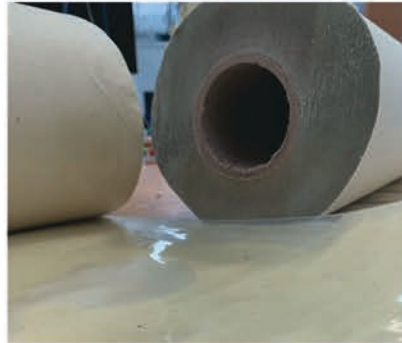

Process

Minutes later the sample is complete!

Lined hotmelt (with poly) backing

Clear backing

Use clear backing with your own secondary backing
